

## About The Instructor

Jose E. Gonzalez, M.M.Q., the Founding Director at the Healing Qi Institute, holds a Masters Degree in Medical Qigong from the International Institute of Medical Qigong. He trained in Medical Qigong with Dr. Jerry Alan Johnson, one of the few internationally recognized non-Chinese grand masters of Medical Qigong.

In 2004, Jose E. Gonzalez also received advanced training (*also taught by Dr. Jerry Alan Johnson*) in Chinese Medical Qigong Therapy and Chinese Clinical Oncology. This course entailed Medical Qigong therapeutic modalities for the treatment of various types of cancer, as well as primary Medical Qigong prescription exercises and meditations used in China for the treatment of cancer and the side effects of radiation and chemotherapy. This advanced training program was jointly offered by the Institute of Regenerative Medicine (*Houston, Texas*) and the International Institute of Medical Qigong.

Jose E. Gonzalez has also trained in Wisdom Healing Qigong, Levels I and II with Master Mingtong Gu, a direct disciple of Grandmaster Pang Ming.

You may enroll in any or all of the course modules on Sensory, Intuitive & Perceptual Diagnosis.

However, you will acquire greater understanding and proficiency in sensory, intuitive and perceptual diagnosis if you take all six modules. These modules are open to laypersons and professionals alike.
